10-02-2025 - First Amendment to reprogram \$929,010.85 in CDBG funding that was originally allocated to Venice Gardens (\$588,558), Home Rehabilitation (\$35,452.85), and Greenwood Sidewalks (\$305,000) projects. This amendment would reprogram these amounts to an Acquisition of Affordable Housing with Habitat for Humanity project that falls within one of the County's identified priority needs as outlined in the Consolidated Plan.

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

In 2021, Sarasota County, Florida, completed the planning process for the Five-Year Consolidated Plan (Consolidated Plan) spanning Federal program years 2021-2025, as required by the U.S. Department of Housing and Urban Development (HUD). The purpose of the Consolidated Plan is to identify goals and strategies for addressing housing and community development needs, including those of homeless and other populations with special needs, using Federal funding sources during the five-year period. The County's Consolidated Plan includes Sarasota County only as a recipient of Community Development Block Grant (CDBG) funds and Emergency Solutions Grant (ESG) funds.

There are four major areas of focus in the Consolidated Plan: Housing, Homelessness, Non-Housing Community Development, and Non-Homeless Special Needs. The Consolidated Plan process requires the County to identify priority needs and prepare an Annual Action Plan each subsequent year to address those priority needs. The citizen participation process was critical in identifying priority needs. For each priority need, there are goals and strategies established to measure progress.

Both the Consolidated Plan and Annual Action Plan address the statutory goals established by Federal law, which include decent housing, a suitable living environment, and expanding economic opportunities principally for low- and moderate-income persons.

This Annual Action Plan describes the specific projects that will be implemented during the Federal Fiscal Year (FY) starting October 1, 2022, and ending September 30, 2023 (i.e., Federal FY 2022), and represents the second year of the five-year planning period.

10-02-2025 - In October 2023, the administration of CDBG programs transitioned from the City of Sarasota to Sarasota County following the expiration of an Interlocal Agreement. At transition, there were a few projects listed in the Annual Action Plan that had been altered following its approval and not updated by the previous entity. The original 2022 AAP listed Sarasota County Public Improvements for both Locklear Park (\$327,506) and Venice Gardens Park (\$325K) of B-22 award, however, at transition it

was advised that \$327,506 had already been reprogrammed from Locklear Park to Venice Gardens Park project. There was no amendment to reflect this. In addition, the Appomattox Sidewalks project (\$305k) was changed prior to transition to the Greenwood Sidewalks project. There was no amendment to reflect this change prior to transfer of administration despite a subrecipient agreement being fully executed prior to transition. This substantial amendment seeks to acknowledge that the changes to the 2022 AAP should have been reflected prior to transition.

Additionally, to ensure timely expenditure of the funding, the Venice Gardens Park and Greenwood Sidewalks projects are no longer being pursued with B-22 funding as both projects are significantly delayed and stalled with no expenditures anticipated until well into 2026-2027. This is the First Amendment to reprogram \$929,010.85 in CDBG funding that was originally allocated to Locklear Park/Venice Gardens (\$588,558), Home Rehabilitation (\$35,452.85), and Greenwood Sidewalks (\$305,000) projects. This amendment would reprogram these amounts to an Acquisition of Affordable Housing with Habitat for Humanity project that falls within one of the County's identified priority needs as outlined in the Consolidated Plan.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Sarasota County's 2021-2025 Consolidated Plan is structured around five goals for administering the County's housing and community development programs. Each goal is accompanied by corresponding priority needs and specific outcome indicators toward meeting that goal. These goals are described as follows:

1. Affordable Housing Availability/Access – Increase the availability of and access to affordable housing units.
2. Affordable Housing Maintenance – Maintain the existing affordable housing stock.
3. Homeless Needs – Provide housing, facilities, and services for the homeless.
4. Special Needs – Provide housing, facilities, and services for special needs.
5. Community Development – Support the provision of public improvements, services, and facilities.

Additionally, the County will use federal funding to administer the CDBG and ESG programs (i.e., non-goal program administration).

Projects selected for the second year (i.e., Federal FY 2022) Annual Action Plan must continue to support these goals through eligible activities.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Sarasota and the unincorporated portion of Sarasota County are both entitlement jurisdictions that receive a direct allocation of CDBG funds each year from HUD. The cities of North Port and Venice have an Interlocal Agreement with Sarasota County and are a part of the Sarasota Urban County program. Because the City of Sarasota receives a direct allocation of CDBG funds, the Sarasota Urban County program funds must be used to primarily benefit residents of the unincorporated portion of Sarasota County and the cities of North Port and Venice. Uniquely, Sarasota County also receives a direct allocation of ESG funds.

Neither the City of Sarasota nor the Sarasota Urban County meet the funding threshold to receive a direct allocation of HOME Investment Partnerships Program (HOME) funds from HUD. However, HUD allows local governments to join with contiguous local governments to meet the funding threshold by forming what HUD calls a "Consortium". One of the consortium members is designated as the "lead entity" and receives the HOME funding on behalf of all consortium members. The City of Sarasota is the lead entity for the Sarasota Consortium; therefore, HOME funds are not discussed in the Annual Action Plan for Sarasota County.

At the time this Annual Action Plan is being submitted, Sarasota County is completing the first year of the 2021-2025 Consolidated Plan. The progress in administering the first year Federal FY 2021 Action Plan will be documented in the Federal FY 2021 Consolidated Annual Performance and Evaluation Report (CAPER). In terms of past performance, Sarasota County recently completed its Federal FY 2020 CAPER, which documented the following progress:

1. Housing Rehabilitation – Sarasota County continued to administer a CDBG-funded housing rehabilitation program to help low- and moderate-income households with critical home repairs.
2. Emergency Rental Assistance Program – Although not directly funded with regular CDBG funds, Sarasota County contributed to this program using Coronavirus Relief Funds in Federal FY 2020.
3. Homes for LMMI Buyers – Sarasota County continued to allocate CDBG funds for acquisition or renovation of homes for LMMI first-time/new homebuyers in partnership with non-profit developers.
4. North Port and Laurel Civic Center Social Service Attendants – Sarasota County continued to allocate CDBG funds to hire social service case workers at community centers in South County to help connect individuals and families with appropriate social services.
5. Social Service Case Workers – Sarasota County continued to look for opportunities to coordinate with other agencies, such as the Sarasota County School Board, to facilitate programs for special needs groups such as youth aging-out of foster care and other populations.

6. North Port and Venice Public Facility and Infrastructure Improvements – Sarasota County continued to fund public facility and infrastructure projects with CDBG, such as parks, sidewalks, and other improvements benefitting low- and moderate-income neighborhoods.
7. Emergency Solutions Grant (ESG) – Sarasota County continued to administer funding for the HMIS system and for homeless prevention and rapid re-housing rental assistance in coordination with Continuum of Care subrecipients.
8. Program Administration – Sarasota County continued to administer both the CDBG and ESG programs in conformation with federal law.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Sarasota conducted an extensive citizen participation and consultation process during the development of the Consolidated Plan that included consultation with the Continuum of Care, the two public housing authorities serving Sarasota County, housing and social service advocates and providers, business community, neighborhood organizations and associations, minority and special needs groups, and the general public. The comments received during that process informed the priorities and goals of the 2021-2025 Consolidated Plan, which must be supported by each subsequent Annual Action Plan.

During the development of this year's Action Plan, two public meetings were held on February 14, 2022, and February 17, 2022. Public meeting notices were published in the Sarasota Herald-Tribune (a newspaper of general circulation) soliciting public comment on needs for federal grant-funded projects. Initial public comments were accepted by email and in writing from February 5, 2022, through March 18, 2022. Multiple public comments were received, which are documented hereafter. Additionally, meetings were held with the City of North Port, City of Venice, and Staff Coordination Team, at which further comments were submitted.

The draft Annual Action Plan was considered at a public meeting of the Sarasota County Board of County Commissioners on May 10, 2022. The draft Annual Action Plan was placed on the Office of Housing and Community Development (OHCD) website and emails were sent to the Continuum of Care, housing authorities, housing and social service providers, business community, organizations and associations representing low-income neighborhoods, representatives of minority groups, and the general public with links to the draft plans for viewing and a dedicated email address for the submission of comments. Links to the plan were sent to all adjacent governments and the State of Florida. Comments on the draft Annual Action Plan were accepted for a 30-day period starting May 11, 2022 and ending June 10, 2022. Social media announcements were published in May 2022 using Facebook and Twitter to further encourage the submission of comments on the draft plan and proposed use of funds.

Public notices, meeting minutes, and public comments regarding the citizen participation process are provided in the Grantee Unique Appendix (Appendix) of this Annual Action Plan.

10-02-2025 - The First Substantial Amendment to the 2022 Annual Action Plan conformed to the minimum standards set forth in the Citizen Participation Plan. Public notice for this draft amendment was published in the Sarasota Herald Tribune and a copy of the amended Annual Action Plan was placed on the County's website (HEROSRQ.net). In addition, a dedicated email address was provided for submission of public comments (CDBG@scgov.net). Comments to this draft amendment are being accepted for a 30-day period starting October 6, 2025 and ending November 5, 2025.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

During the initial public comment period spanning February through March 2022, eight (8) comments were received. These comments identified specific needs for an educational outreach garden accessible to persons with disabilities and low-income students and workers; an adult job empowerment and assistance program at the Laurel Civic Agency; Locklear Park improvements; Avion Park improvements; affordable housing/housing assistance; Venice Gardens Park improvements; and various public facility and infrastructure projects in the cities of North Port and Venice. The public facility and infrastructure projects proposed in the cities of North Port and Venice involve ADA accessibility, sidewalks, and utility improvements.

During the draft public comment period spanning May through June 2022, seven (7) comments were received. These comments identified specific needs for affordable housing/housing assistance, Tenant-Based Rental Assistance/Rapid Rehousing, and housing repair assistance/home rehabilitation loans.

Public comments are provided in more detail within the Appendix of this report.

10-02-2025 - This section will be updated following the public comment period which is open October 6, 2025 to November 5, 2025.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments received were generally accepted or considered to inform the Sarasota County Federal FY 2022 Action Plan. The County's Annual Action Plan for the 2022-2023 federal program year proposes funding for acquisition of property; housing rehabilitation; administration of the HMIS system and rapid re-housing of homeless persons; social and public services; and public park and sidewalk improvements in income eligible areas. The needs for affordable housing construction and purchase price assistance will be addressed by the City's Annual Action Plan.

Public comments are provided in more detail within the Appendix of this report.

10-02-2025 - This section will be updated following the public comment period which is open October 6, 2025 to November 5, 2025.

7. Summary

The 2021-2025 Consolidated Plan identifies goals and strategies to address Sarasota County's housing and community development needs. These needs were prioritized through an extensive citizen participation process that involved citizens, community stakeholders, housing and service providers, and staff of participating jurisdictions, which informed the decisions made relative to the Annual Action Plan.

The OHCD was able to provide reasonable opportunity for the public to provide comment on the Federal FY 2022 Annual Action Plan through two public meetings, a dedicated email address, and public comment periods. Comments received during the development of the Action Plan were considered prior to plan approval by the Board of County Commissioners.

During Federal FY 2022, the second program year, OHCD will continue to deliver housing and community development programs and projects that support acquisition of property; housing rehabilitation; administration of the HMIS system and rapid re-housing of homeless persons; social and public services; and public park and sidewalk improvements in income eligible areas.

10-02-2025 - This section reflective of the Second Substantial Amendment to the Annual Action Plan will be updated following the public comment period which is open October 6, 2025 to November 5, 2025.

Narrative

The Office of Housing and Community Development (OHCD) is a joint City of Sarasota and Sarasota County agency and the OHCD General Manager reports to both the City Manager and the County Administrator or their designees. This Annual Action Plan was developed with the assistance of a Staff Coordination Team consisting of staff from the City of Sarasota, Sarasota County and the cities of North Port and Venice. The Staff Coordination Team met in 2021 during the development of the 2021-2025 Consolidated Plan and established the priorities and goals for the five-year planning period. The Staff Coordination Team met again in 2022 to discuss the proposed projects to be funded during the second year (i.e., Federal FY 2022) of the Consolidated Plan, taking into consideration those priorities and goals. See **Table 1**.

10-02-2025 - The Administration of CDBG and ESG programs was transitioned from the City of Sarasota's OHCD to Sarasota County on October 1, 2023.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

During the planning process, OHCD published a newspaper advertisement and email address for submission of comments, conducted two public meetings, hosted a public comment period for a period of 30 days, held a Staff Coordination Team with members of participating jurisdictions, and held public hearings with the Sarasota County Board of County Commissioners to consider funding allocations, projects, and activities. Opportunities to participate were advertised by newspaper, social media, and email outreach. Comments and concerns raised during the citizen participation process were taken into consideration when selecting the Annual Action Plan projects.

10-02-2025 - For the First Substantial Amendment to the 2022 Annual Action Plan, Sarasota County published a newspaper advertisement and email address for submission of public comments, hosted a public comment period for a period of 30 days (October 6, 2025 to November 5, 2025), and published the draft amendment on the County's website.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

OHCD notified community stakeholders about opportunities to participate and consulted directly with the Continuum of Care (CoC), public housing authorities (PHAs), and other housing and service providers regarding respective needs. Opportunities to participate were advertised by newspaper notice, social media, and email outreach.

During development of the recent 2021-2025 Consolidated Plan, several non-profit service providers that offer health and mental services were notified of opportunities to participate in the planning process. These included Centerstone, Community Assisted and Supported Living (CASL), Harvest House, First Step, and Sarasota Memorial Hospital.

Direct responses were received from the Sarasota Housing Authority and Venice Housing Authority regarding specific housing needs in the community. Consultation with the PHAs informed the Needs Assessment, Market Analysis, and Strategic Plan sections of the Consolidated Plan. Specific public and assisted housing needs include down-payment assistance to help transition from publicly assisted housing to homeownership and funding for construction of additional publicly assisted units.

10-02-2025 - Prior to the development of the First Substantial Amendment for the 2022 Annual Action Plan, HERO staff consulted with HUD Rep Larry Lopez, Orange County CDBG, Manatee County CDBG regarding strategies for the timely expenditure of funds. Additionally, a series of local non-profit housing organizations (Harvest House, Habitat for Humanity, Family Promise) were contacted as to any identified

outstanding needs for affordable housing in the area. During the public comment period for the Second Substantial Amendment, local municipalities, non-profit housing organizations, and other service providers were notified and their opportunities to participate were advertised by newspaper notice, website, and email outreach.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Suncoast Partnership to End Homelessness (Suncoast Partnership) is the lead agency for the Continuum of Care (CoC). The mission of the Suncoast Partnership is to prevent and end homelessness throughout Manatee and Sarasota counties. The Suncoast Partnership provides leadership to the communities on issues relating to homelessness through engagement and collaboration with business and civic leaders, service providers, faith-based organizations, advocates, concerned citizens and people who are homeless or at risk of homelessness.

OHCD coordinated directly with the Suncoast Partnership regarding the needs of homeless persons and persons at risk of homelessness. Consultation with the Suncoast Partnership informed the selection of Action Plan projects. Specific homeless needs include rental assistance and rapid rehousing, street outreach, mental and behavioral health services/substance abuse programs, and permanent supportive housing.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Sarasota County directly receives and administers Emergency Solutions Grant (ESG) funds. Consultation with the Suncoast Partnership CoC informed the selection of Action Plan projects. As the lead agency for the CoC, the Suncoast Partnership administers the Homeless Management Information System (HMIS) and reports the annual Point-in-Time (PIT), Housing Inventory Count (CIC), and other HUD system performance measures to comply with HUD requirements and document progress related to the Federal Strategic Plan to Prevent and End Homelessness.

Comments submitted during 30-Day Comment Period. The Gulf Coast Community Foundation submitted the following comment to Sarasota OHCD during the 30-Day Comment Period: "...recommendation would be to prioritize Tenant-Based Rental Assistance for households who have received rapid rehousing support and other expiring federal subsidies. We don't want folks to return to homelessness." Sarasota OHCD responded by affirming that Emergency Solutions Grant (ESG) funds are allocated to Tenant-Based Rental Assistance by means of rapid rehousing homeless households. ESG funds may be used to house individuals or families for up to 24 months with a goal of moving to permanent supportive housing. ESG funds are included in Sarasota County's Federal FY 2022 Annual Action Plan.

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Comments submitted during 30-Day Comment Period. Habitat for Humanity inquired about the availability of federal funding for affordable housing, in conjunction with State SHIP funding. Sarasota OHCD responded that communication with non-profit developers is in place as funding is available, and Sarasota OHCD has regular contact with the Habitat for Humanity South Sarasota County Chief Executive Officer and Chief Operating Officer. Within the preceding 45 days, three (3) contracts were executed with Habitat for Humanity South Sarasota County, Inc.

Narrative

In addition to other agencies and organizations, the 2021-2025 Consolidated Plan and second year (i.e., Federal FY 2022) Action Plan were developed with the input and review of a Staff Coordination Team consisting of staff from the cities of North Port, Sarasota, and Venice, and Sarasota County. Moreover, the State of Florida and adjacent local governments were sent a link to the 2021-2025 Consolidated Plan during its development and were notified about the opportunity to submit comments on the second year (i.e., Federal FY 2022) Action Plan.

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

Sarasota conducted an extensive citizen participation and consultation process during the development of the Consolidated Plan that included consultation with the Continuum of Care, the two public housing authorities serving Sarasota County, housing and social service advocates and providers, business community, neighborhood organizations and associations, minority groups, and the general public. The comments received during that process informed the priorities and goals of the Five-Year Consolidated Plan, which must be supported by each Annual Action Plan.

During the development of this year's Action Plan, two public meetings were held on February 14, 2022, and February 17, 2022. Public meeting notices were published in the Sarasota Herald-Tribune (a newspaper of general circulation) soliciting public comment on needs for federal grant-funded projects. Public comments were accepted by email and in writing from February 5, 2022, through March 18, 2022. Multiple public comments were received, which are documented hereafter. Additionally, meetings were held with the City of North Port, City of Venice, and Staff Coordination Team, at which further comments were submitted.

The draft Annual Action Plan was considered at a public meeting of the Sarasota County Board of County Commissioners on May 10, 2022. The draft Annual Action Plan was placed on the Office of Housing and Community Development (OHCD) website and emails were sent to the Continuum of Care, housing authorities, housing and social service providers, business community, organizations and associations representing low-income neighborhoods, representatives of minority groups, and the general public with links to the draft plans for viewing and a dedicated email address for the submission of comments. Links to the plan were sent to all adjacent governments and the State of Florida. Comments on the draft Annual Action Plan were accepted for a 30-day period starting May 11, 2022 and ending June 10, 2022. Social media announcements were published in May 2022 using Facebook and Twitter to further encourage the submission of comments on the draft plan and proposed use of funds.

Public notices, meeting minutes, and public comments regarding the citizen participation process are provided in the Grantee Unique Appendix (Appendix) of this Annual Action Plan. See also **Table 4**.

10-02-2025 - This is the First Substantial Amendment that seeks to reprogram \$588,558 from Locklear Park/Venice Gardens Park project (cancel), \$35,452.85 from Home Rehabilitation (still an active project) and \$305,000 from the Greenwood Sidewalks project to Affordable Housing Acquisition with Habitat for Humanity (\$929,010.85).

This First Amendment to the 2022 Annual Action Plan conformed to the minimum standards set forth in the Citizen Participation Plan. Public notice for this draft amendment was published in the Sarasota Herald Tribune and a copy of the amended Annual Action Plan was placed on the County's website. In addition, a dedicated email address was provided for submission of public comments. Comments to this draft amendment were accepted for a 30-day period starting October 6, 2025 to November 5, 2025.

This First Substantial Amendment to the 2022 Annual Action Plan is set before the Board of County Commissioners on November 18, 2025.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

Sarasota County expects a total allocation of \$1,704,447 in CDBG funding for the 2022-2023 program year. Program income for CDBG is expected to be approximately \$10,000. Prior-year (i.e., carryover) resources in the amount of \$392,328 are also anticipated. CDBG funds will be used for housing and community development activities including, but not limited to, acquisition of property, housing rehabilitation, public services, public facility and infrastructure improvements, and administration of the County's CDBG program.

Sarasota County also expects a total allocation of \$149,996 in ESG funding for the 2022-2023 program year. No ESG program income or prior-year resources are anticipated. ESG funds will be used for rapid re-housing and related case management, maintaining the Homeless Management Information System (HMIS), and administration of the County's ESG program.

The expected amount available during the remainder of the Consolidated Plan (2023-2025) is based on the amount of funding remaining after the first- and second-year allocations and related program income are subtracted from the five-year total. Prior-year resources are already accounted, and therefore are not subtracted. This results in remainder funding amount of \$4,726,171 in CDBG and \$408,524 in ESG over the remaining three-year period.

Other resources, such as private and non-Federal public sources may become available to Sarasota County during the program year. For CDBG leveraging, these include local government General Fund dollars, private or nonprofit organizations, or other sources. The County will look to leverage funds, if available, from other agencies and programs to support housing and community development efforts.

The Annual Action Plan must summarize Sarasota County's priority needs and goals to address during the first year of the Strategic Plan. These goals must be described in quantitative terms. Sarasota County has selected goal outcome indicators and quantities based on the anticipated performance measures of the 2022-2023 (i.e., Federal FY 2022) Annual Action Plan. See **Table 5**.

* Notes: Program incomes are estimated amounts and actual amounts may differ if larger sums are received from loan payoffs. These amounts

will be updated during the 2022 program year close-out.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

CDBG funds do not require a local match; however, where applicable, Sarasota County will leverage CDBG funds with other public and private funding sources. The Emergency Shelter Grant (ESG) requires a 1:1 match. The match is met through the County's contribution to the HMIS system. In addition, each agency receiving funding is required to provide a portion of the required match.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Sarasota County maintains a list of publicly owned land that is available on the County's website: <https://www.scgov.net/government/planning-and-development-services/property-management>. Parcels considered surplus lands are denoted on the list. Each department within the Sarasota County regularly reviews their respective list of properties, in conjunction with the Property Management Division, to identify opportunities to dispose of surplus lands.

Although Sarasota County does not receive SHIP funds directly, the County partners with the City of Sarasota to identify property suitable for affordable housing. The City of Sarasota maintains a list of publicly owned land suitable for affordable housing that is updated annually by its Affordable Housing Advisory Committee, as required by the State Housing Initiatives Partnership (SHIP) Program. The City's affordable housing inventory list was last updated in October 2021, and there were 30 properties listed at that time. All of the listed properties may be used to address the needs identified in the plan.

Discussion

10-02-2025 - To ensure timely expenditure of the funding, the Locklear Park/Venice Gardens Park projects and Greenwood Sidewalks project is no longer being pursued with B-22 funding. This substantial amendment will reprogram \$588,558 in CDBG funding that was allocated to the Locklear Park/Venice Gardens project, \$35,425.85 from Home Rehabilitation (active project still), and \$305,000 from Greenwood Sidewalks project to an Acquisition of Affordable Housing with Habitat for Humanity project (\$929,010.85). This project falls within one of the County's identified priority needs as outlined in the Consolidated Plan.

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Affordable Housing Availability/Access
	Goal Description	Increase the availability of and access to affordable housing units. Sarasota County will allocate \$392,328 in prior-year (i.e., carryover) Community Development Block Grant (CDBG) funds for acquisition of property for the end result of serving 2 LMHI households. As a contingency, if acquisition of property for affordable housing under Goal No. 1, Affordable Housing Availability/Access, is not financially or practically achievable, the \$392,328 in CDBG prior-year resources will be allocated to Goal No. 5, Community Development, for the acquisition of an emergency vehicle housed at a fire station serving LMHI households for the benefit of 2,110 persons. 10-02-2025 - To ensure timely expenditure of the funding, the Locklear Park/Venice Gardens Park projects and Greenwood Sidewalks project is no longer being pursued with B-22 funding. This substantial amendment will reprogram \$588,558 in CDBG funding that was allocated to the Locklear Park/Venice Gardens project, \$35,425.85 from Home Rehabilitation (active project still), and \$305,000 from Greenwood Sidewalks project to an Acquisition of Affordable Housing with Habitat for Humanity project (\$929,010.85). This project falls within one of the County's identified priority needs as outlined in the Consolidated Plan.
2	Goal Name	Affordable Housing Maintenance
	Goal Description	Maintain the existing affordable housing stock. Sarasota County will allocate \$350,000 in Community Development Block Grant (CDBG) funds to rehabilitate owner-occupied housing units. Additional units will be rehabilitated in Sarasota County using HOME Investment Partnership Program (HOME) and State Housing Initiatives Partnership (SHIP) funds that are received by the City of Sarasota but used throughout Sarasota County. A total of 10 households/housing units will be assisted with CDBG funds. 10-02-2025 - To ensure timely expenditure of the funding, this substantial amendment will reprogram \$35,425.85 from Home Rehabilitation (active project still), and \$305,000 from Greenwood Sidewalks project to an Acquisition of Affordable Housing with Habitat for Humanity project (\$929,010.85). This project falls within one of the County's identified priority needs as outlined in the Consolidated Plan.

3	Goal Name	Homeless Needs
	Goal Description	Provide housing, facilities, and services for the homeless. Sarasota County will allocate \$138,747 in Emergency Solutions Grant (ESG) funds for rapid re-housing of chronically homeless individuals and data collection via the HMIS. A total of six (6) homeless persons will be rapidly re-housed.
5	Goal Name	Community Development
	Goal Description	Support the provision of public improvements, services, and facilities. In 2022-2023, Sarasota County will allocate a total of \$110,000 in Community Development Block Grant (CDBG) funds for social service attendants to benefit communities in North Port and Laurel, both in South County (i.e., \$55,000 to each location). A total of 540 persons will be assisted. Sarasota County will allocate \$327,506 and \$261,052 to Locklear Park and Venice Gardens Park respectively to fund public park improvements in unincorporated Sarasota County. The County will also allocate \$325,000 to fund sidewalk improvements on Appomattox Drive and public park improvements at Garden of The Five Senses Park in the City of North Port. Combined, an estimated total of 6,080 persons will benefit from these public facility and infrastructure projects. As a contingency, if acquisition of property for affordable housing under Goal No. 1, Affordable Housing Availability/Access, is not financially or practically achievable, the \$392,328 in CDBG prior-year resources will be allocated to Goal No. 5, Community Development, for the acquisition of an emergency vehicle housed at a fire station serving LMMI households for the benefit of 2,110 persons. 10-02-2025 - To ensure timely expenditure of the funding, the Locklear Park/Venice Gardens Park projects and Greenwood Sidewalks project is no longer being pursued with B-22 funding. This substantial amendment will reprogram \$588,558 in CDBG funding that was allocated to the Locklear Park/Venice Gardens project and \$305,000 from Greenwood Sidewalks project to an Acquisition of Affordable Housing with Habitat for Humanity project. This project falls within one of the County's identified priority needs as outlined in the Consolidated Plan.

6	Goal Name	Non-Goal Administration
	Goal Description	Administer federally funded housing and community development programs. Sarasota County will continue to administer the CDBG and ESG programs in conformance with federal law. In 2022-2023, the County will allocate \$340,889 in CDBG funding and \$11,249 in ESG funding toward program administration.

AP-35 Projects - 91.420, 91.220(d)

Introduction

This section of the Annual Action Plan describes the specific projects that will be implemented with Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) funds. No other federal funding sources are anticipated at this time. **Table 7** shows the projects and activities that will be funded during Year 2 (i.e., 2022) of the Consolidated Plan. Additional project information is provided in the subsequent table.

Projects funded with HOME Investment Partnership (HOME) and State Housing Initiatives Partnership (SHIP) funds that will be used in Sarasota County are received by the City of Sarasota and included in the City's Action Plan.

10-02-2025 - To ensure timely expenditure of the funding, the Locklear Park/Venice Gardens Park projects and Greenwood Sidewalks project is no longer being pursued with B-22 funding. AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Sarasota County is an exception grantee with a Low- and Moderate-Income Summary Data (LMISD) threshold of 48.33% (i.e., top quartile). The County will continue to focus the expenditure of CDBG funds in eligible low- and moderate-income areas (LMA) and for activities that benefit low- and moderate-income individuals (LMI) outside of these areas. For the 2022/2023 program year, Sarasota County has programed approximately 54% of its CDBG allocation toward public improvements in eligible LMA neighborhoods (see **Table 8**).

*54% of CDBG Allocation

10-02-2025 - The overall percentage of LMI/LMA benefit remains the same as this substantial amendment reprograms funding from LMA and LMI projects to other LMI projects (80%).

Geographic Distribution

Target Area	Percentage of Funds
Low- and Moderate-Income Areas (LMA)	54

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Sarasota County attempts to balance its use of federal and state funds to assist low-income individuals and families living in impacted areas, but to also provide housing and public services outside of racial/ethnic and low-income concentrations. Within impacted areas, funds will be made available to improve neighborhoods (i.e., public improvements). Acquisition of property, housing rehabilitation loans, and public services will be disbursed based on income eligibility rather than geographic location to provide such opportunities throughout the community based on individual or household need.

Discussion

Currently, Sarasota County does not have specific designated "Target Areas". Sarasota County has identified eight (8) projects to implement the goals of the Strategic Plan during the second year (i.e., Federal FY 2022) of the 2021-2025 Consolidated Plan. These projects benefit low- and moderate-income persons countywide or within eligible low- and moderate- income areas. Only public improvements (i.e., sidewalk construction and park improvements) are location dependent. Projects with countywide benefit include acquisition of property, housing rehabilitation/project delivery, public services, and administration of the grant programs.

AP-65 Homeless and Other Special Needs Activities - 91.420, 91.220(i)

Introduction

The City of Sarasota, Sarasota County, the Continuum of Care (CoC) and local foundations have been working together to develop and implement a comprehensive strategy to address homelessness. The City of Sarasota hired the Florida Housing Coalition to create "Sarasota: Creating an Effective Homeless Crisis Response System" that was adopted by both the City of Sarasota and Sarasota County governments. Since then, the City, County, Suncoast Partnership to End Homeless (lead entity for the Continuum of Care), and foundations have worked jointly to implement the Homeless Crisis Response System and monitor and measure its success based upon the criteria set forth in the Florida Housing Coalition report and in consideration of "best practices" as identified by the National Alliance to End Homelessness.

The Homeless Crisis Response System is countywide in nature and this section describes the goals and action steps that will impact the homeless in Sarasota County.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

In January 2018, the CoC began using their new coordinated entry system, Oneby1. This system meets all HUD requirements and builds in the capacity to provide a crisis response for those who are long term homeless with the greatest acuity of need. Through the last eighteen months, organizations and agencies providing services for the homeless have received training and support for implementation of this system. During the next year, the Suncoast Partnership will work to expand this model to include homeless prevention, in addition to the housing projects that are currently utilizing the Oneby1 coordinated entry system.

The City of Sarasota and Sarasota County have established two Homeless Outreach Teams (HOT) to reach out to homeless persons to assess their individual needs and to connect them to service agencies in the community. The HOT Teams have met with virtually all homeless individuals in the City and have been successful in matching them with service providers. The Salvation Army also maintains street

outreach teams in the community.

One emergency portal for families with children has been created that is available to assist Sarasota County residents. To best facilitate effective assistance, an Assessment and Diversion Specialist for Sarasota Families, assists in diverting families who can avoid shelter and remain permanently housed and refer families who need emergency shelter. Family Haven North provides emergency family shelter with 24 beds in six dorms. The Family Haven system provides screening, triage, assessment, individualized service planning and ongoing master case management towards the goal of a permanent housing outcome.

Addressing the emergency shelter and transitional housing needs of homeless persons

Sarasota County, through the Sarasota Office of Housing and Community Development (OHCD), has instituted a "Housing First" approach to dealing with homelessness. The Housing First approach works to quickly place individuals in permanent housing and reduces the need for emergency shelter beds. OHCD coordinates with the Salvation Army to provide emergency shelter beds for individuals who are homeless on a temporary basis.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

In 2018, private donors created a new rapid re-housing program in Sarasota County. With an initial contribution of \$1.5 million, the new program aimed to assist 80 chronically homeless individuals find housing. This project is expected to continue in 2022 with \$88,747 in ESG funding from Sarasota County and is projected to rapidly re-house at least six (6) homeless persons through the Suncoast Partnership as subrecipient.

The CoC is coordinating services provided by programs like Jewish Family & Children's Services (JFCS) Supportive Services for Veteran Families. By compiling an accurate and prioritized list of veterans experiencing homelessness, the overall county effort to address veteran homelessness in the City of Sarasota and Sarasota County has seen improved success in placing veterans into permanent housing. The community is nearing their goal of reducing veteran homelessness and to receive certification from USICH (United States Interagency Council on Homelessness) as meeting community

criteria and benchmarks for veterans.

The City of Sarasota and Sarasota County continue to support the provision of permanent supportive housing. In 2017, the Florida Housing Finance Corporation funded a 40-unit permanent supportive housing apartment complex in the City of Sarasota, which began construction in 2018. An 80-unit permanent supportive housing complex was recently completed in the City of Sarasota near the intersection of Fruitville Road and Tuttle Avenue. It includes 72 one-bedroom units and eight two-bedroom units. All units are for those with special needs, including formerly chronic homeless individuals, those with substance abuse and disabilities, with 50% of all units for homeless and 50% for those with a disabling condition. There are no market rate units unless the tenant has a voucher, and Section 8, VASH, or NED vouchers are accepted.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions) or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

There is a very strong system in place to prevent homelessness. The community funds "Season of Sharing" which provides more than \$2 million annually to prevent homelessness in Sarasota County.

In 2018, a Youth Planning Group was established to focus various community efforts to address the problems facing unaccompanied homeless youth. This group acquired limited funding to establish pilot programs to house homeless youth.

All Faith's Food Bank plays a major role in preventing homelessness by providing food to families in need. All Faith's Food Bank distributes more than 8.8 million pounds of food annually to over 60,000 individuals in need in Sarasota County through 184 local agency partners and by their mobile pantries, mobile farm market, backpack program, and school-based pantries.

Discussion

In program year 2022-2023 (i.e., Federal FY 2022), Sarasota County will continue to work with City of Sarasota and Suncoast Partnership, as the lead entity for the Continuum of Care, along with local foundations and other agencies to implement and expand upon the original recommendations in the Florida Housing Coalition report. During program year 2022-2023, Sarasota County's ESG funding will be used to rapidly re-house at least six (6) homeless persons.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

This section describes the actions that it will take during the next year to reduce barriers to affordable housing.

10-02-2025 - The First Substantial Amendment to the 2022 AAP seeks to reprogram funding from a stalled parks/sidewalk projects and available funding from a Home Rehabilitation project to the acquisition of 7 affordable housing units with the Habitat for Humanity.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

In 2018, the City of Sarasota's Affordable Housing Advisory Committee completed the Local Housing Incentive Strategies (LHIS) plan for SHIP that included recommendations on any Barriers to Affordable Housing that need to be addressed. The committee recommended that strategies to remove or ameliorate the barriers to affordable housing be developed in conjunction with the form-based code that is currently under development. That report is included by reference.

Often a barrier to affordable housing for lower income household is simply the lack of resources. Sarasota County plans to commit CDBG funding toward assisting with acquisition of property, housing rehabilitation for low- and moderate-income households, and rapid-rehousing of homeless persons during the 2022-2023 program year. These programs will provide valuable resources to lower income households to prevent homelessness and improve upon existing housing stock.

Discussion

Federal funding allocations increased slightly in program year 2020-2021 for both CDBG and ESG allocations. It is estimated that the County's CDBG and ESG formula allocations will maintain or exceed those amounts in program year 2022-2023. The Consortium's SHIP allocations, administered by the City, for affordable housing stayed relatively static for this program year. Although there may be additional CDBG and ESG funds for this program year, the cost of housing in Sarasota County continues to rise drastically with housing costs at levels that are unaffordable to low- and moderate-income households. The most significant barrier continues to be the lack of financial resources available to address

affordable housing needs in the County given the challenge of rising housing costs.

10-02-2025 - The First Substantial Amendment to the 2022 AAP seeks to reprogram funding from a stalled parks/sidewalk projects and available funding from a Home Rehabilitation project to the acquisition of 7 affordable housing units with the Habitat for Humanity.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

This section of the plan describes the actions that Sarasota will take to carry out the following strategies in the Consolidated Plan:

- Foster and maintain affordable housing.
- Evaluate and reduce lead-based paint hazards.
- Reduce the number of poverty-level families.
- Develop institutional structure.
- Enhance coordination.

Actions planned to address obstacles to meeting underserved needs

The greatest obstacle to meeting underserved needs is the lack of funding for affordable housing. The County's CDBG funding decreased \$79,935, from \$1,784,382 in 2021 to \$1,704,447 in 2022. The County's ESG funding decreased \$1,484, from \$151,480 in 2021 to \$149,996 in 2022. Combined with the effects of inflation, the compounded effect of incremental funding reductions makes it difficult to initiate meaningful programs to meet the needs of the underserved. Sarasota County will continue to educate its federal and state legislators about the lack of funding to meet underserved needs. The Federal FY 2022 federal formula allocations, although decreased, will be applied toward housing rehabilitation, public services, public facility and infrastructure improvements, and rapid re-housing and case management to prevent homelessness in the community.

10-02-2025 - The First Substantial Amendment to the 2022 AAP seeks to reprogram funding from a stalled parks/sidewalk projects and available funding from a Home Rehabilitation project to the acquisition of 7 affordable housing units with the Habitat for Humanity.

Actions planned to foster and maintain affordable housing

Sarasota County, through the Sarasota Office of Housing and Community Development (OHCD), has an active housing rehabilitation program to assist owner occupants maintain their home. All assistance is in the form of a 0% loan with no payments until the home is sold, transferred, no longer occupied by the borrower or 30 years, whichever occurs first.

The County also takes the following actions to **Affirmatively Further Fair Housing**:

- Every subrecipient agreement requires that they have a Fair Housing Poster on premises.
- The Office of Housing and Community Development (OHCD) uses the Equal Opportunity Housing

logo on all communication, including advertisements, brochures, and letterhead.

- A Fair Housing Seminar is conducted once per year. OHCD hosted its most recent virtual Fair Housing Seminar on May 11, 2022 (9 attendees). Invitations were sent to realtors, property managers, landlords, and PHA employees among others.

10-02-2025 - The First Substantial Amendment to the 2022 AAP seeks to reprogram funding from a stalled parks/sidewalk projects and available funding from a Home Rehabilitation project to the acquisition of 7 affordable housing units with the Habitat for Humanity.

Actions planned to reduce lead-based paint hazards

Lead based paint hazard reduction is integrated into all housing programs in Sarasota County (and the City). The specific actions that will be undertaken during the next program year include the following:

- Each applicant receiving housing rehabilitation loans from OHCD receives an EPA-approved pamphlet with information on identifying and preventing lead-based paint hazards;
- Homes built prior to 1978 receiving housing rehabilitation loans with federal funding are tested to determine if lead-based paint is in the home; and
- If lead is found, the lead-based paint will be remediated as required by federal law.

Actions planned to reduce the number of poverty-level families

Sarasota County, through OHCD, will continue to coordinate with Suncoast Technical College to assist low-income residents attain their GED and gain vocational and business training. The Technical College works to qualify individuals to qualify for employment in the construction industry and other sectors. Sarasota County, through OHCD, will also make referrals to CareerSource Suncoast, an organization that provides training to improve job readiness, including personalized job search assistance, referrals to employers, career planning and skills assessment, computer software tutorials and assistance with resume writing.

Sarasota County will continue to sponsor the CEO: Community Entrepreneur Opportunity program, which is a free 10-week course developed by CareerSource Suncoast to help new businesses and potential entrepreneurs evaluate their business ideas, network with other community members, and learn what is needed when starting a business. The course includes developing a business plan, competitive analysis, and the importance of marketing and communications. CEO Program graduates have continued access to counseling and office accommodations through CareerSource Suncoast where they can use computers, phones, and fax machines. There is no cost to participate in the program.

Actions planned to develop institutional structure

During program year 2017-2018, the Suncoast Partnership to End Homelessness, as the lead entity for

the Continuum of Care, developed a coordinated entry system that is being used by all homeless providers. In 2022-2023, the homeless delivery system will continue to focus on the priority needs of the homeless population in the region. Service providers will be expected to coordinate wrap-around services and serve the individuals and families with greatest need. A “Housing First” approach will be supported by funding for rapid re-housing and related case management through Sarasota County’s ESG program. Additionally, Sarasota County’s CDBG program (separate from the City’s) will fund other supportive services, including mental and behavioral health services, senior services, and social service attendants to facilitate such support.

Actions planned to enhance coordination between public and private housing and social service agencies

Sarasota County will continue to be an active participant in the Continuum of Care that coordinates homeless housing providers and social service agencies. The City also participates in the Community Alliance, a legislative advocacy committee, that brings together social service agencies and housing providers to enhance coordination.

Discussion

Sarasota County is committed to continuing its participation and coordination with Federal, State, local governments, and other agencies, along with the public and private sectors, to serve the needs of income-eligible individuals and families in the community. In particular, the County will continue closely coordinate with city and county departments regarding housing and community development initiatives.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Introduction

This subsection addresses the program-specific requirements for the Annual Action Plan, including CDBG and ESG.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	10,000
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	10,000

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	80.00%

**Emergency Solutions Grant (ESG)
Reference 91.220(I)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

The Continuum of Care (CoC) and Homeless Providers have prepared written standards that have been approved by the Sarasota County Commission. Those written standards are attached.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

In January 2018, the Continuum of Care (CoC) began using their new assessment tool, Oneby1. The tool meets all HUD requirements. During the next year, the CoC will continue implementing the new assessment tool and continue training on its use.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

Sarasota County is allocating its ESG funding to the CoC lead entity, Suncoast Partnership to End Homelessness. The CoC has created a single application process that will enable service providers to access ESG, Continuum of Care, and state housing funding.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

Sarasota County awards all ESG funds and is unable to meet the requirement that a homeless or formerly homeless individual is a member of the elected commission. The CoC works with Sarasota County on the allocation of ESG funds and a formerly homeless individual serves on the CoC Leadership Council.

5. Describe performance standards for evaluating ESG.

The performance standard is to ensure that homeless individuals are suitably housed six (6) months after receiving assistance.

Discussion

An estimated \$10,000 in CDBG program income and \$392,328 in CDBG prior-year resources is available for the program year. CDBG funds will be used for activities that benefit persons of low- and moderate-income. ESG standards are summarized above and specific written ESG standards are attached separately.
